

### REMARKS

Claims 4, 8, and 23-25 are pending in this application. Claims 4, 8, 23, and 24 have been amended to overcome the claim objections recited in paragraph 1 of the Action. Applicants have adopted each of the Examiner's suggestions for overcoming the objections and appreciate the Examiner's kindly consideration of this application. Further, in view of the amendments made to claims 4, 8, 23, and 24, the rejection under 35 USC 112, second paragraph, has been obviated, as indicated would be the case by the Examiner in paragraph 4 of the Action.

Applicants appreciate the Examiner's indication of allowable subject matter. Having made the amendments suggested by the Examiner to overcome all outstanding objections and rejections to claims 4, 8, and 23-25, all claims are now in condition for allowance and a notice thereof is earnestly solicited.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing **482842000500**.

Respectfully submitted,
